## **PRESS RELEASE** FOR IMMEDIATE RELEASE

### **Update About This Year's ACHCA Convocation & Expo**

**Washington, DC – June 15, 2020** – The COVID-19 pandemic has presented our profession with many challenges. ACHCA leadership and staff have been analyzing the logistics of continuing to hold our 2020 Convocation as planned, factoring in travel bans, social distancing mandates, limits to large gatherings, and the uncertainty of the virus. In the final analysis we believe that it would be irresponsible to bring healthcare leadership from around the country to one location and then return them to their long-term and post-acute settings.

Therefore, we have made the difficult decision to postpone our 2020 Convocation to 2021. We look forward to Convocation 2021, which will be held in Baltimore, Maryland, April 19-22, 2021.

We are working through the logistics of this transition as we speak and ask for your patience. We will be in communication with our registered attendees as well as our exhibitors and sponsors.

Thank you for your support of ACHCA.
