The aim of the ACHCA Hall of Fame is to recognize individuals that have made significant contributions to the American College of Health Care Administrators over an extended period, or for a unique and lasting contribution to the Organization.

To be eligible for membership in the ACHCA Hall of Fame, Individuals must have been a member of ACHCA for at least 15 years. Members may nominate eligible candidates for election by the Hall of Fame Committee appointed by the chair of the ACHCA board. Successful nominees will be submitted to the current board of directors for ratification. No more than four candidates will be elected to the Hall of Fame each year.

Members of the Hall of Fame will be recognized on election at the awards event at the annual ACHCA Convocation. A permanent online recognition will be maintained on the College website and a permanent plaque with members of the Hall of Fame will be maintained and exhibited at the annual Convocation.
