ACHCA Ohio Chapter Marblehead Event History

Rich Fratianne was a past National President of the College and a leader in the Ohio Chapter for many years. This event was created in his memory where our Ohio Chapter members would have fun and enjoy the fellowship of being together in a recreational setting such as Lake Erie. Rich strongly felt and stated on numerous occasions that he believed the Ohio Chapter members got as much out of our meetings with good fellowship as we received in the classroom for the CEU required by our State Licensure Board. His idea was that the Ohio Chapter should be the "Melting Pot" of ideas and discussions between our members coming from not only the for-profit and non-profit nursing centers, but also from the facility members, presenters, and students combined together in a "Melting Pot" like atmosphere of camaraderie. He loved to see all these disciplines coming together to discuss issues, to talk and to laugh and fun and enjoy being with each other in a "Melting Pot". When Rich suddenly passed away, we developed this event to remember him in this setting once per year with Secure Care as our sponsor.

Lighthouse Resort and Conference Center Lakeside Marblehead, Ohio

This picture best explains our location of our annual event for many years. Family owned and operated Lighthouse Resort is conveniently located to the Ferry that can reach several destinations on Lake Erie. Be sure to make time for this annual event and you will keep coming back every year!
