

SEMINAR

ACCURATE MDS 3.0 CODING: *The Key to Positive Clinical and Financial Outcomes*

Presented by: Nelia Adaci RNC, BSN, CDONA, DNS-CT, RAC-CTA

Date: Thursday, February 17, 2022

Time: 9:00 am – 4:30 pm

Place: The Meadows, 34 Brookmeade Drive, Rhinebeck, NY 12572

PROGRAM DESCRIPTION:

This educational program will assist administrators and members of the Interdisciplinary Team in learning the importance of Accurate MDS 3.0 Coding, and its impact on a Facility's Survival: Survey Outcomes, Clinical Reimbursement, Five Star Rating and Quality Measures

LEARNING OBJECTIVES:

At the end of the program, learner will:

- Identify the Manual that provides specific guidance on how to code the MDS 3.0 Items
- Enumerate the components of the RAI (Resident Assessment Instrument) Process in Long-Term Care
- List two (2) Reasons why Accurate Coding of the MDS 3.0 is important to ensure a Skilled Nursing Facility's Survival
- Enumerate three (3) MDS 3.0 Sections or Items that will affect Clinical Reimbursement under PDPM
- Discuss how the MDS 3.0 affects the facility's Five Star Rating Score
