Dear Post-Acute Care Administrator:

**Congratulations!** Your Skilled Nursing Facility (SNF) has been identified as a top performer by the American College of Health Care Administrators (ACHCA).

B. Daniel Carr,

Secretary and Treasurer  
Indianapolis, IN

Each year, ACHCA recognizes the leaders of top-performing SNF's across the country through its Eli Pick Facility Leadership Award, sponsored by ABILITY Network. MDS quality indicators (QMs), occupancy, and three years of survey data are used to identify top-performers.

Bill McGinley,  
CNHA, CAS, CALA, HSE, FACHCA  
President & CEO  
Natick, MA

ACHCA believes that facility excellence reflects leadership excellence. The purpose of the Eli Pick Facility Leadership Award (EPFLA) is to recognize the administrators of top-performing SNFs. Since CMS data is used to identify qualifying facilities, details about the administrator are often unavailable or out of date. Please forgive this limitation but know that we seek to recognize you individually as the leader of your organization.

Jose L. Rojas Fernandez,  
CNHA, FACHCA  
Stuart, FL

**Please visit [www.achca.org/epfla2020](http://www.achca.org/epfla2020) by February 21, 2020, to attest to your eligibility for the EPFLA.** You will be asked to confirm your tenure, membership status (**you must be an active member of ACHCA to receive the award**), and indicate your preference for being recognized. **\*If you do not attest by the deadline, you will not be recognized for the EPFLA.**
