**Distinguished instructors.
Personalized attention.**

At SJC, our engaging faculty are more than educators. They are active leaders in the world who inject their insight and field knowledge directly into the courses they teach.

Even in our flexible online course format, our students get one-on-one attention from professors who clarify coursework, provide meaningful feedback and show students how to apply their education on a daily basis to positively impact the world and the people around them.

Online learning for who you want to be.

With 40 years of experience, we are a pioneer of accredited distance education in the United States. Since 1976, Saint Joseph's College of Maine has been empowering our students with degrees that enhance their careers and fulfill their calling.

[SJCME.EDU/ONLINE](https://www.sjcme.edu/online)

100% online.

Saint Joe's courses let you determine the time and location of completing your work. Learn whenever you want, wherever you are.

You are not alone.

Your dedicated student support specialist will provide guidance on course selection and act as a mentor as you complete your degree. This personal advocate will serve as an important link to the faculty, administration, and other college resources.

Real instructors. Real connection.

One of the unique aspects of Saint Joseph's online programs is the one-on-one relationship you will have with your instructors. As experts in their fields, they are also an excellent source of professional networking.

Life happens.

Your support specialist will assist you in selecting each course and an appropriate start date, allowing you to complete your program at a pace that is flexible, comfortable and realistic for you.

**Multiple start dates per year.
Competitive tuition rates.
No hidden fees.**

Over the course of the last 40 years, we've developed a uniquely vibrant and supportive distance-learning community. Join us today.
