Dear Fellow Colleagues and Friends,

On behalf of the New York Chapter of the American College of Health Care Administrators Academy of Long Term Care Leadership and Development, we are asking you to join us in our fundraising efforts for the Sister Joan Cassidy and Michael Cuseo Cultural Diversity Endowment.

In 1998, the American College of Health Care Administrators (ACHCA) granted the first award from the Sister Joan Cassidy Endowment Fund. In 2007, the New York Chapter of ACHCA proposed to honor Michael Cuseo of Chem Rx and to change the name of the fund to the Sister Joan Cassidy and Michael Cuseo Cultural Endowment Fund. This was adopted at the Annual Board Meeting at the ACHCA National Convocation in April.

In 2015 the Executive Committee of the New York Chapter elected to rebuild this endowment within the chapter and utilize the fund exclusively for the members of the New York Chapter.

We commemorate the loss of our beloved member, Sister Joan Cassidy, CNHA, Fellow, who passed away on October 15, 1998 after a long and courageous battle with cancer. She was a member of the Sisters of Charity of St. Vincent de Paul, Halifax. Loved by all who knew her, she was well respected in the long-term care field. She embodied the highest moral qualities and brought a level of professionalism and ethics to ACHCA on both a state and national level.

Michael Cuseo was instrumental in establishing Chem Rx as the premiere Long Term Care pharmacy in New York. He generously devoted his time, talents and professional efforts as Chem Rx's Supervising Pharmacist for over thirty years. Michael took a deep interest in the pharmaceutical aspects of the nursing home industry, but more importantly will be remembered for his warm personality and infectious sense of humor. All who were fortunate enough to make his acquaintance will fondly remember Michael.

The President's Award, presented annually at this event, is the most prestigious honor that the New York Chapter of the American College of Health Care Administrators bestows to individuals who represent the ideals and mission of the College, and the integrity, and cultural diversity as defined by Sr. Joan Cassidy and Michael Cuseo through their leadership and dedication to the College. It is with that in mind that we will be honoring Paula Agoglia, of Chem RX Pharmerica.

There will also be a special presentation to Anthony J. Restaino, CNHA, FACHCA of Grand Manor Nursing and Rehabilitation Center who will receive the Chapter's Distinguished Service Award for over twenty five years of service to the New York Membership. His dedication and sincerity to our mission and ideals has created a path for all to follow.

We look forward to seeing all of our friends and associates at this worthwhile event.

Sincerely,

The Executive Committee
